

HP Pavilion Mini Desktop 300-030na

Mighty power. Tiny size.

Get big power without the large tower with the next generation HP Pavilion Mini. Powerful features in a small, attractive package means you can have all you need in a PC and at an affordable price.

HP recommends Windows.

Big power.

Primed for productivity with Windows 8.1, the latest Intel® processor, plenty of hard drive storage, and dual monitor support.¹

Stylish small package.

This tiny PC really stands out. It's attractive enough to sit on your desk, yet small and cool enough to keep in a cabinet.

Energy Efficient.

Get all the features you expect in a tower while using less energy on average. Using only 45 watts of power, the HP Pavilion Mini is small and smart.

HP Connected Music.

Get access to unlimited listening of radio playlists for 12 months. Enjoy the latest songs of your favorite music styles, ad-free, and get a chance to win concert tickets and experiences with your preferred artists.²

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>. ² Subject to purchasing a Windows 8 and 8.1 consumer HP Notebook or Desktop PC or Tablet between April 10th 2014 and June 30th 2015. Terms and Conditions apply.
