

E2260SDA

22

(55.9) LCD MONITOR

Energy-saving LED backlighting and high contrast ratios deliver clear, vibrant images at your home or office. Smart features like Eco Mode and e-Saver further reduce power consumption.

Speakers

Vesa Wallmount

Three-Year Warranty

AOC stands behind the quality of each and every monitor with a generous three-year warranty starting from the original date of purchase. Within the warranty period, any AOC displays with manufacturing defects or faulty components will be repaired or replaced at no additional charge. Read the complete [AOC warranty](#) statement for more information.

5ms Response Time

A pixel response time of 5ms GTG means speed without the smear for an enhanced experience. Fast-moving action and dramatic transitions will be rendered smoothly without the effects of ghosting.

Integrated Speakers

Built-in speakers make it easy to catch up with family, friends and colleagues. For movies, music, games and more, you'll enjoy quality audio without the hassle of connecting external speakers.

Kensington Lock

Kensington Lock is an anti-theft system, comprising a metal-reinforced hole in the body of the respective device, to use with a metal cable secured with a key/lock system. Kensington locks enable you to secure your AOC monitor during a LAN event, an organisation, or wherever you carry it.

Screen Details
