rapoo

Wireless Ultra-Slim Blade Keyboard
E9110

With its ultra-slim design and anodized aluminum alloy housing, the stylish E9110 is a real eye-catcher whether used on your desktop or on the go with a laptop. The Fn multimedia keys provide easy, convenient, and instant access to all important multimedia functions.

Despite its compact size, this keyboard offers full-size keys, which makes typing much more comfortable, especially with longer texts. What's more, Rapoo's energy-saving technologies offer a battery life of up to 24 months, minimizing the need for replacing batteries.

► **Reliable 2.4 GHz wireless connection**
Carefree wireless: The proven advanced 2.4 GHz standard offers you a range of up to 10 m and 360° coverage.

► **Full-size keys**
Zero compromises: Despite its compact size, this keyboard offers the typing comfort of a full-size keyboard. The generous spacing of the chiclet keys, with scissor-key structure, offer a pleasant and smooth typing experience, especially when it comes to longer texts.

► **Ultra-slim 4.9 mm design**
Slimline and durable: The ultra-slim 4.9 mm design makes this keyboard a real eye-catcher while the housing made from anodized aluminum alloy offers stability and durability.

► **Up to 24 months battery life**
Low energy consumption: Rapoo's energy-saving technologies, combined with the on/off switch, means you can use this keyboard continuously for up to 24 months.
