HP ZBook Power G7 Mobile Workstation

HP's most affordable mobile workstation

Now you can upgrade to professional ZBook performance and security at an unbelievably affordable price. Power up your productivity on a durable yet premium design, with prograde components including graphics certified for leading software applications.

HP recommends Windows 10 Pro for business

Power through intensive workflows

 Blaze through 3D modeling workloads with up to NVIDIA® Quadro™ 2000 graphics, while eliminating painful slowdowns with Intel® Xeon® and Core™ i9 processors¹ and 64GB memory.² Plus, with dual 2TB M.2 SSDs you can store even your largest projects.²

Certified. Secured. Supported.

Get peace of mind with a secure, serviceable mobile workstation that's certified for the
professional apps you use every day. HP Sure Suite advanced security features come
standard while optional management tools simplify fleet-wide roll-outs.

Durable with a premium touch.

- With a sanitizable³ all-aluminum chassis and MIL-STD durability¹², this PC is tough enough to last, yet built with a premium touch. The four-sided narrow bezel maximizes screen real estate, while an optional 4K UHD display makes project details pop.⁴
- Work anywhere without compromising on performance or security with Windows 10 Pro and HP's collaboration and connectivity technology.⁵
- NVIDIA Quadro GPUs, provide the interactive visual workspace you need to do great work wherever, whenever. With twice the CUDA cores as previous generations, NVIDIA Quadro GPUs deliver the performance professionals need to work from anywhere.
- Take multitasking to the next level with 10th gen Intel® Core™ i9 or Intel® Xeon® processors* built to handle multithreaded apps like Adobe Premiere Pro®, and with fast clock speeds to boost your speed on single threaded apps like Autodesk 3ds Max.^{6,7}
- Strenuously tested to meet ISV certification and deliver superb performance and support with leading software providers, including Autodesk and Adobe[®].
- Have confidence with HP's most secure mobile workstations, and defend against firmware and malware attacks with HP Sure Start and Sure Sense.^{9,10}
- Built with the environment in mind, this Zbook includes recycled ocean-bound plastics, plastic-free packaging, and ultra-efficient power consumpion.¹¹
- Designed for ultimate durability, this ZBook undergoes brutal MIL-STD 810H tests to help ensure this PC keeps rolling through your workday.¹²
- Plug in to greater connectivity at your desktop with the HP Thunderbolt Dock for lightningfast Thunderbolt™ 3 transfers and the flexibility to run up to two external 4K displays ^{13,14,15}
- Work without limits in any location with up to 2TB* of local PCIe storage. 16

Power	120 W Slim Smart external AC power adapter; 150 W Slim Smart external AC power adapter ²⁰
Battery type	HP Long Life 6-cell, 83 Wh Li-ion polymer ³⁷
Dimensions	35.94 x 23.39 x 2.86 cm
Weight	Starting at 1.92 kg (Weight varies by configuration and components.)
Energy efficiency compliance	ENERGY STAR® certified and EPEAT® 2.0 registered where applicable. EPEAT® registration varies by country. See www.epeat.net for registration status by country. 41
Environmental specifications	Low halogen ⁴²
Warranty	3 year (3-3-0) limited warranty and service offering includes 3 years of parts and labor. Terms and conditions vary by country.

HP ZBook Power G7 Mobile Workstation

Accessories and services (not included)

HP Thunderbolt Dock 230W G2

Reinvent docking and boost productivity with our most versatile Thunderbolt™ dock, the small, sophisticated HP Thunderbolt Dock G2. Designed for workspace flexibility and network manageability 1, it delivers USB-C™2 device connectivity and optional integrated audio. 3 Engineered for demanding graphics and processor intensive applications. Product number: 2UK38AA

HP Executive 15.6 Top Load

Take on the world in style with an HP Executive Series notebook case that provides a polished, professional look. The sleek profile and premium materials make a bold statement and keep your devices and data on lockdown. Traveling is a breeze and device-charging is easy—even from outside the bag. Engineered for demanding graphics and processor intensive applications.

Product number: 6KD06AA

HP Slim Wireless Keyboard and Mouse

Boost productivity and maximize your workspace with the stylish and compact HP Slim Wireless Keyboard and Mouse, designed to complement the 2015 class of HP Business PCs. Engineered for demanding graphics and processor intensive applications. **Product number: T6L04AA**

HP 3 year Next Business Day Onsite Hardware Support for Notebooks

Receive 3 years of next business day onsite HW support from an HP-qualified technician for your computing device, if the issue cannot be solved remotely. Product number: U4414E

HP ZBook Power G7 Mobile Workstation

Messaging Footnotes

- 1 Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance
- ² Optional, configurable features
- 3 Select household wipes can be safely used to clean HP Elite and Workstation PCs up to 1,000 wipes: See wipe manufacturer's instructions for disinfecting and the HP cleaning guide for HP tested wipe solutions at How to Sanitize Your HP
- Device Whitepaper. Not applicable to HP Elite c 1030 Chromebook

 4 K UHD display is an optional, configurable feature.

 7 MIL STD testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage
- requires an optional HP Accidental Damage Protection Care Pack.

 5 Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is
- automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com.

 6 Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance
- ⁷ Adobe Premiere Pro® and Autodesk 3ds Max sold separately 8 Adobe and Autodesk software sold separately.
- 9 HP Sure Start Gen5 is available on select HP PCs with Intel processors. 10 HP Sure Sense requires Windows 10 Pro or Enterprise.
- ¹¹ Speaker enclosure component made with 5% ocean bound plastic as of 2/3/2020
- 12 MIL STD testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.
- ¹³ HP Thunderbolt Dock with Thunderbolt™ 3 sold separately.
 ¹⁴ External displays sold separately.
- 15 Optional hybrid graphics is required to run up to two external 4K displays
- 16 For hard drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 35GB (for Windows 10) of system disk is reserved for system recovery software. 1. Optional, configurable feature

Technical Specifications Footnotes

- 1 Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is
- automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com

 Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

 3 Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode.

 4 Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See www.intel.com/technology/turboboost for more information.

- 5 In accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel and AMD 7th generation and forward processors or provide any Windows 8 or Windows 7 drivers on http://www.support.hp.com
- 6 HDMI port-cable not included.
- 7 Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.

 8 Maximized dual-channel performance requires SODIMMs of the same size and speed in both memory channels.

- ⁹ Intel[®] allows architectures designed with four DIMM slots to run at 2400 MT/s ¹⁰ Maximum memory capacities assume Windows 64-bit operating systems. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.
- 11 For storage drives GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 35 GB (for Windows 10) is reserved for system recovery software
- 12 GBE The term *10/100/1000* or *Gigabit* Ethernet indicates compatibility with IEEE standard 802.3ab for Gigabit Ethernet, and does not connote actual operating speed of 1 Gb/s. For high-speed transmission, connection to a Gigabit Ethernet server and network infrastructure is required.
- 13 Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. The specifications for Wi-Fi 6 (802.11ax WLAN) are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ax WLAN devices. Only available in countries where 802.11ax is supported.
- 14 HP tested Windows 10, version 1809 on this platform. For testing information on newer versions of Windows 10, please see https://support.hp.com/document/c05195282
- 15 HP Cloud Recovery is available for HP Elite and Pro desktops and laptops PCs with Intel® or AMD processors and requires an open, wired network connection. Note: You must back up important files, data, photos, videos, etc. before use to avoid loss of data. Detail please refer to: https://support.hp.com/us-en/document/c05115630.
- 16 Intel® Integrated graphics: Intel® UHD Graphics 630 integrated on CoreTM i7 processors and Intel® UHD Graphics P630 integrated on Xeon® processors.
 17 FHD and HD content required to view HD images respectively.
- 18 Windows Hello face authentication utilizes a camera specially configured for near infrared (IR) imaging to authenticate and unlock Windows devices as well as unlock your Microsoft Passport.
- ¹⁹ HP Sure Click requires Windows 10 Pro or Enterprise. See https://bit.ly/2PrLT6A_SureClick for complete details.
 ²⁰ 120 W power adapter is configurable with Intel UMA graphics 150 W power adapter is configurable with NVIDIA Quadro P620 T1000 and T2000 configurations
- UHD content required to view UHD images.
 HP BIOSphere Gen6 features may vary depending on the platform and configurations
- 23 Resolutions are dependent upon monitor capability, and resolution and color depth settings.

 24 HP Client Security Manager Gen6 requires Windows and is available on select HP Elite, Pro and Workstations.

 25 For full Intel® vPro™ functionality, Windows 10 Pro 64 bit, a vPro supported processor, vPro enabled chipset, vPro enabled wired LAN and/or WLAN card and TPM 2.0 are required. Some functionality requires additional 3rd party software in

- To think the control of the control
- ²⁹ HP Performance Advisor Software HP Performance Advisor is ready and waiting to help you get the most out of your HP Workstation from day one—and every day after. Learn more or download at: https://www8.hp.com/us/en/workstations/performance-advisor.html
- 30 HP Manageability Integration Kit can be downloaded from http://www.hp.com/go/clientmanagement
- 31 Absolute Persistence Module: Absolute agent is shipped turned off, and will be activated when customers activate a purchased subscription. Subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability outside the U.S. The Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit: http://www.absolute.com/company/legal/agreements/ computrace-agreement. Data Delete is an optional service provided by Absolute Software. If utilized, the Recovery Guarantee is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either obtain a PIN or purchase one or more RSA SecurID tokens from Absolute Software.

 33 Microsoft Defender Opt in and internet connection required for updates.

- ³⁴ Security lock for security slot is sold separately.
 ³⁵ HP Support Assistant requires Windows and Internet access.
- 36 HP Connection Optimizer requires Windows 10.

 38 Battery is internal and not replaceable by customer. Serviceable by warranty. Batteries have a default one year limited warranty except for Long Life batteries which will have same 1-year or 3-year warranty as the platform
- 38 HP Sure Start Gen 6 is available on select HP PCs and workstations. See product specifications for availability. HP Sure Start Gen 6 is available on select HP PCs and workstations. See product specifications for availability.

 39 HP ZCentral Remote Boost does not come preinstalled on Z Workstations but can be downloaded and run on all Z desktop and laptops without license purchase. With non-Z sender devices, purchase of perpetual individual license or perpetual floating license per simultaneously executing versions and purchase of ZCentral Remote Boost Software Support is required. RGS requires Windows, RHEL (7 or 8), UBUNTU 18.04 LTS, or HP ThinPro 7 operating systems. MacOS (10.13 or newer) operating system is only supported on the receiver side. Requires network access. The software is available for download at hp.com/ZCentralRemoteBoost.

 Based on US EPEAT® registration according to IEEE 1680.1-2018 EPEAT®. Status varies by country. Visit www.epeat.net for more information.

- 48 External power supplies, power cords, cables and peripherals are not low hologen. Service parts obtained after purchase may not be low halogen and HP Tamper Lock is an optional feature that must be configured at the factory and requires a supervisor password be established prior to use.

 49 Dual-microphone array when equipped with optional webcam and optional world facing microphone.
