### Featuring

- Do great things confidently with the familiar feel of Windows—only better.<sup>[1]</sup>
- Get the lightning-fast speed you need to crush all your day-to-day tasks. Powerful performance lets you work with multiple applications at once and play the latest games without experiencing crippling slowdowns.
- Watch and write DVDs using the integrated optical drive.<sup>[2]</sup>
- It's never been easier to give your device a bigger or second display. With an HDMI output you can transmit HD video and sound with just one standard cable.
