

EcoTank ET-2600

DATASHEET

Busy households needing an ultra-low-cost printing solution will be won over by this 3-in-1 inkjet with Wi-Fi and two years' worth of ink¹.

Need a ultra-low cost and hassle-free printer? Epson's cartridge-free EcoTank with print, copy and scan features, provides a great choice for busy households. This 3-in-1 inkjet can reduce printing costs by 74% on average², as it comes with two years' worth of ink¹ included in the box. It's also reliable, mess-free, and backed by a warranty for complete peace-of-mind.

Cartridge-free printing

Running out of ink can be frustrating. Even if you've stocked up, it still takes time to change a cartridge. If you have a busy household and rely on your printer, there's an easy solution. Epson's EcoTank has a ultra-high-capacity ink tank system, which completely removes the need for cartridges and comes with two years' worth of ink¹.

Ultra-low cost

Did you know that Epson's EcoTank can reduce printing costs by 74%²? It comes with high yield ink bottles that can print an impressive 4,500 pages in black and 7,500 pages in colour³. That means you'll receive an extremely low cost-per-page.

Easy to use

We think printing should be simple and fuss free. That's why our ink tank system is fully integrated and purpose-built. From the very start, it's straightforward to set-up with just three easy steps. It's clean and efficient too.

Mobile printing

Equipped with Wi-Fi, the ET-2600 can send documents to print from smartphones and tablets using the free Epson iPrint⁴ app. You can even email files from anywhere in the world via Epson Email Print⁴.

Peace of mind

The EcoTank has been purpose-built to provide a long-term printing solution. It delivers consistent and reliable results thanks to our advanced Micro Piezo printhead and genuine Epson ink. In fact, we're so confident in it, that we provide a three year warranty (upon registration).

KEY FEATURES

- **Two years' worth of ink¹**
Print up to 4,500 pages in black and 7,500 pages in colour³
- **Ultra-low-cost printing**
Save 74% on printing costs²
- **No ink cartridges**
Easy-refill ink tank system
- **Wi-Fi & apps**
Print from mobile devices
- **3-in-1**
Print, copy & scan

PRODUCT SPECIFICATIONS

TECHNOLOGY

Printing Method	Epson Micro Piezo™ print head
Minimum Droplet Size	3 pl, With Variable-Sized Droplet Technology
Ink Technology	Dye Ink
Printing Resolution	5,760 x 1,440 dpi

PRINT

Printing Speed ISO/IEC 24734	10 pages/min Monochrome, 5 pages/min Colour, 69 Seconds per 10 x 15 cm photo
Maximum Printing Speed	33 pages/min Monochrome (plain paper), 15 pages/min Colour (plain paper), 27 Seconds per 10 x 15 cm photo (Epson Premium Glossy Photo Paper)
Colours	Black, Cyan, Yellow, Magenta

INK BOTTLE YIELD DATA

Included	4,000 pages*	6,500 pages*
Replacement	4,500 pages*	7,500 pages*

* Approx. page yield based on ISO/IEC 24711/24712 or ISO/IEC 29102/29103. Actual yield will vary depending on images printed and usage conditions. For more information visit <http://www.epson.eu/pageyield>

1. 2 years* of ink based on average monthly print volumes of 150 pages.
2. Average saving for printing the number of pages using the bundled ink bottles with the EcoTank range, including hardware price. Comparison made on the average of the A4 EcoTank range versus the average of the top 10 best selling models in Western Europe, in the period May 2015 - April 2016, as tracked by GfK.
3. Printing costs calculated on the proportion of Standard and XL cartridges as tracked by GfK for the same reference period for the Western European market, using average retail prices. Ink cartridge yields as communicated by the manufacturer's websites
4. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 with replacement sets of ink. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.
5. Epson iPrint requires a wireless connection and the Epson printing app. Epson Email print and Remote print driver require an internet connection. For more information, supported languages and devices, please visit www.epsonconnect.eu
