

EcoTank ET-2751

DATASHEET / BROCHURE

3-in-1 with 3.7cm LCD screen and double-sided printing. Great for busy households looking to reduce printing costs and use mobile printing.

Reduce your cost of ink by 90% on average¹ with Epson's cartridge-free ET-2751 EcoTank, which is supplied with high yield ink bottles. Providing a solution for busy households, this reliable and easy-to-use model features an enhanced ink filling system and ink bottles engineered for mess-free refills. It includes a 3.7cm LCD screen, SD card slot, double-sided printing and an extra black bottle of ink.

Cartridge-free printing

Go longer between refills with EcoTank. It uses ultra-high-capacity ink tanks to completely remove the need for cartridges. It comes with the equivalent of 88 cartridges' worth of ink¹ on average.

Slash ink costs

This economical printer can save 90% on ink costs on average¹. With one set of ink you can print up to an impressive 14,000 pages in black and 5,200 in colour².

Discover the next generation of EcoTank

With the ink tank now housed at the front, EcoTank is more compact and easier to use than ever before. Protecting you against leaks and spills, it features an enhanced ink filling system engineered for mess-free refills. The new bottles also incorporate a mechanism to ensure that only the correct colours can be inserted. Thanks to the front ink level display, it's now easy to see when it's finally due for a refill. And with pigment black and dye colour inks, it produces prints with crisp, clear text and vivid colours.

Print from almost anywhere

With Wi-Fi and Wi-Fi Direct, you can send documents to print from smart devices using the Epson iPrint³ app. Additionally, its 3.7cm LCD screen and SD card slot make it easy to print without a PC.

Quality results

With a Micro Piezo printhead, EcoTank provides a reliable printing solution which is backed by a three year warranty (upon registration). It can also be relied upon to produce double-sided prints fast.

KEY FEATURES

- **Save 90% on the cost of ink¹**
Equivalent of 88 cartridges' worth of ink included¹
- **Ultra-low-cost printing**
Print up to 14,000 pages in black and 5,200 pages in colour²
- **Next generation ink filling system**
Enjoy hassle and mess-free refills with the enhanced ink bottles
- **Wi-Fi & apps**
Print from mobile devices³
- **3-in-1 with 3.7cm LCD screen**
Print, copy & scan

PRODUCT SPECIFICATIONS

TECHNOLOGY

Printing Method	Epson Micro Piezo™ print head
Minimum Droplet Size	3 pl, With Variable-Sized Droplet Technology
Ink Technology	Pigment black and Dye colour Inks
Printing Resolution	5,760 x 1,440 DPI
Nozzle Configuration	180 Nozzles Black, 59 Nozzles per Color

PRINT

Printing Speed ISO/IEC 24734	10.5 pages/min Monochrome, 5 pages/min Colour
Maximum Printing Speed	33 pages/min Monochrome (plain paper 75 g/m²), 15 pages/min Colour (plain paper 75 g/m²)
Colors	Black, Cyan, Yellow, Magenta

INK BOTTLE YIELD DATA

	Black	Cyan	Yellow
Included	14,000 pages*	5,200 pages*	5,200 pages*
Replacement	7,500 pages*	6,000 pages*	6,000 pages*

* Approx. page yield based on ISO/IEC 24711/24712 or ISO/IEC 29102/29103. Actual yield will vary depending on images printed and usage conditions. For more information visit <http://www.epson.eu/pageyield>

1. Based on an average print volume of 140 pages per month and considering the lowest yield produced from the first set of inks.
2. Average number of cartridges/savings for printing the number of pages using the bundled ink bottles with the EcoTank range, including hardware price. Comparison made on the average of the A4 EcoTank range versus the average of the top 10 best-selling models in Western Europe, in the period April 2016 – March 2017, as tracked by GfK. Printing costs calculated on the proportion of Standard and XL cartridges as tracked by GfK for the same reference period for the Western European market, using average retail prices. Ink cartridge yields as communicated by the manufacturer's websites.
3. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.
4. Requires a wireless connection to the internet. For more information, supported languages and devices please visit www.epsonconnect.eu
