

# Smart Security Camera Kit Wi-Fi Series

Wire-Free 1080p Full HD Video Camera with  
Outdoor Mounting Stand & Solar Panel

## Connects Wirelessly

Connect in minutes to your existing Wi-Fi network, with no need for a base station – it's wire-free & hassle free

## See More in Full HD

See faces, license plates, packages & more with crystal clear 1080p full HD video & wide 120° viewing angle during the day & night for 24/7 protection

## Weatherproof

The camera is certified for outdoor use, meaning it can be exposed to sunshine, rain & snow†

## Easily Rechargeable

Recharging is fast & easy using the supplied USB cable into your Smartphone's charging wall plug or a computer – no need to replace expensive batteries

## Set & Forget Security from the Sun

Plug the camera into the Solar Panel where there's plenty of sunshine and forget about re-charging your camera ever again!

## Heat Sensing

Swann's True Detect™ heat-based PIR motion detection reliably captures & records activity, with fewer false triggers – it's security you can rely on

## Free Local Storage

Save up to 7 days (hundreds) of 10-60 second video clips to the camera's built-in back-up memory

## Secure Cloud Storage

Enjoy 2 days of free storage to secure cloud with the ability to expand that to 30 days^, & many more clips, with the protection of 'bank level' privacy encryption

## Alerts & Playback

Receive push notifications if activity is detected & playback video clips with audio, all on your Smartphone – now you're always connected

# Smart Security Camera Kit

## Wi-Fi Series

Wire-Free 1080p Full HD Video Camera with  
Outdoor Mounting Stand & Solar Panel

## 2K Series - 1080p

### See what's happening outside 24/7

Mount it outdoors, connect via Wi-Fi in minutes and keep camera charged via solar panel to see what's happening on your Smartphone in crystal clear 1080p HD Video

### Protect your home at all times

The camera is like another set of eyes, using True Detect™ technology to sense heat from people & cars, triggering recording & push notifications

### Know when a package is delivered

Porch pirates beware! Now you can see when your package has been delivered, so you can go get it or notify a neighbor to put it somewhere safe

### Safeguard your loved ones, pets & property

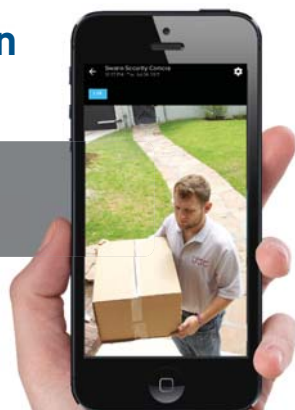

Check in on your family, pets & belongings at any time to see & hear that everything is okay. It's security made smarter!

## Control, view & listen on your Smartphone

Download the FREE app
