Full HD 1080p with Audio Capture

**Wi-Fi**

Mains powered & then connects by Wi-Fi

**Weatherproof**

See what's happening inside or out

**Audio Capture**

Adds another layer of evidence

**1080P**

**Full HD**

Crystal clear image day & night

**FREE**

**7 Day Recording**

Local & secure cloud options

## Connects Wirelessly

Connect in minutes to your Wi-Fi network or use the Ethernet port for a hardwired connection. It's standalone so there's no need for a DVR

## Audio Capture

Hear off-screen noises. Identify voices by their gender, age and accent

## Free Local Storage

Save up to 7 days (hundreds) of 10-60 second video clips to the camera's built-in back-up memory

**HD**

## See More in Full HD

See faces, license plates, packages & more with crystal clear 1080p full HD video & wide 110° viewing angle during the day & night

## Alerts & Playback

Receive push notifications if activity is detected & playback video clips with audio, all on your smartphone

## Secure Cloud Storage

Enjoy 2 days of free storage to secure cloud with the ability to expand that to 30 days<sup>^</sup>, & many more clips, with the protection of bank level privacy encryption

## Weatherproof

The camera is IP66 rated for outdoor use, meaning it can be exposed to sunshine, rain & snow

## True Detect Heat Sensing

Swann's True Detect™ heat-based PIR motion detection reliably captures & records activity, with fewer false triggers – it's security you can rely on

## Powerful Night Vision

See in the dark up to 65ft (20m) thanks to the camera's infrared night vision for round-the-clock protection

**SAFE by Swann**

## What can I do with this System?

### See what's happening from anywhere 24/7

A plug & play security system that allows you to see & stay connected at any time on your Smartphone & tablet

### Protect your home at all times

Whether you're home or away, the Wi-Fi Outdoor Security Camera is like another set of eyes, alerting you when activity is detected with push notifications & video recording to local memory & secure cloud

### Know when a package is delivered

Porch pirates beware! Now you can see when your package has been delivered, so you can go get it or notify a neighbor to put it somewhere safe

### Safeguard your loved ones, pets & property

Check in on your family, pets & belongings at any time to see & hear that everything is okay. It's security made smarter!

The camera's True Detect™ motion sensor distinguishes the heat of large objects, including people & cars, to eliminate false triggers & ensure you receive reliable push notifications
