

HP ProLiant Buy One Get One Free Memory Offer – Save up to £297!

Increase your capacity; for better results

Server memory is one of the most critical components where even the slightest defect can result in downtime that could shut down your business. HP ProLiant server memory is a HP Qualified Option, which means every genuine HP DIMM has been through our rigorous qualification process to ensure its compatibility, performance, and reliability.

How to qualify

Throughout November HP are offering customers the chance to increase server capacity with our Buy One Get One Free Memory Offer. Simply purchase a qualifying ProLiant DL3xx Series Top Value server together with your required number of memory units (minimum of 2), as indicated in the qualifying products table, between 1st December 2012 - 31st January 2013, complete this claim form and HP will refund you the cost of one memory unit for every two units you purchase*. It's as simple as that!

HP ProActive Care Service Offer

HP Proactive Care Services provide an additional level of support for organisations managing complex IT environments, featuring remote and onsite support, proactive scans and reports plus regular consultations with HP technology experts.

Proactive Care is designed especially for ProLiant server customers who want help from HP to prevent problems before they occur and raise performance in their IT environments by providing:

- Fast resolution of complex issues via Advanced Solution Centre
- Expert advice from Technical Account Manager

Throughout November HP are offering customers the chance to upgrade to HP ProActive Care for the same price as HP 3yr 24x7 4hr Response Care Pack* – Saving up to an amazing £1,704
